ENAMOS SECURITY

Leadership

A Message from Our Director

Security is not just about gates, alarms or patrols. Security is peace of mind — knowing that when the world sleeps, someone is watching.

Hello valued clients, dedicated security officers and members of the public. My name is Dr. Amos Matunda, and I'm the Chief Executive Officer of **ENAMOS SECURITY SERVICES**.

To Our Clients

Thank you. Your trust is our greatest asset. You invite **ENAMOS SECURITY SERVICES** into your homes, your businesses and your communities, and we do not take this responsibility lightly. We promise to keep upgrading our technology, our training and our response times. We remain fully committed to protecting what matters most to you.

To Our Frontline Heroes

You are the heartbeat of **ENAMOS SECURITY SERVICES**. Day and night, in the rain and heat, you stand on the front lines and make sacrifices every single day. Many people walk past you without realising the vigilance it takes to keep them safe — I see you, and our entire company sees you. We are dedicated to supporting your welfare, your safety and your professional growth, because you carry our reputation on your shoulders.

To The Public

Safety is a shared duty. **ENAMOS SECURITY SERVICES** believes in strong community partnerships — a secure neighbourhood requires cooperation between professional security officers, residents and local authorities. We stand ready to serve and protect the wider community, building a culture of alertness and mutual respect.

At **ENAMOS SECURITY SERVICES**, our mission is simple: your safety is our watch. ***Protection You Can Rely On.*** We will never stop working to earn your trust, protect our people, and secure our future together. Thank you, and stay safe.

OUR SERVICES

Guarding & Protection

MOST POPULAR

About This Service

ENAMOS SECURITY has delivered superior guarding services for several years. We value long-term relationships with our clients and take the time to develop a strong understanding that results in quality security outcomes. While providing guarding services, we conduct a full risk assessment of your environment to ensure our security officers fit your exact requirements. All officers are duly uniformed and well-equipped. They carry panic buttons linked directly to our 24/7 control room — in the event of any problem, Armed Reaction assistance is dispatched immediately.

What's Included

- ✓ Uniformed & well equipped officers
- ✓ Full risk assessment before deployment
- ✓ Panic buttons linked to control room
- ✓ Armed Reaction dispatched instantly

OUR SERVICES

Armed Response

About This Service

Our Security company maintains a reliable fleet of tactical response vehicles manned by efficient, highly trained response officers. The response team is in constant communication with our control room so they can respond swiftly according to our policy and your instructions. Our modern, secure control room is manned around the clock ensuring that alarm activations are dealt with immediately. Being area-based, our armed response allows us to respond rapidly to every call-out, ensuring swift resolution. We also work hand in hand with the Kenyan Police to assist when required.

What's Included

- ✓ Reliable fleet of tactical vehicles
- ✓ 24/7 control room monitoring
- ✓ Area-based rapid response
- ✓ Works hand in hand with Kenya Police

OUR SERVICES

Supervision & Management

About This Service

To ensure that all guards complete their duties in accordance with company policy and client instructions, ENAMOS SECURITY deploys dedicated Area Managers and Supervisors who conduct constant, unannounced checks on deployed personnel. This layer of management ensures accountability, consistent performance, and immediate corrective action whenever required. Our supervision structure means clients can trust that their site is never left to chance — every post is monitored and every officer is held to our high standards.

What's Included

- ✓ Dedicated Area Managers
- ✓ Regular supervisor check-ins
- ✓ Strict adherence to client instructions
- ✓ Performance accountability
